JAGUAR AQUATICS WELLNESS & SPORTS

CLASS DESCRIPTIONS	FOCUS
Alignment & Awareness (30 min Workshop): Discover how to move smarter and feel stronger in your body. This 30-minute workshop is designed to help you develop personalized alignment during common exercises [squat, hinge, push, pull, lunge, etc.]—tailored to your unique structure. Each session focuses on 1–2 key movements, allowing you to build strength, control, and confidence through improved body awareness. Whether you're new to movement or a seasoned athlete, all levels can benefit from breaking down ideal body mechanics and cultivating more intentional, effective motion.	Workshop
BARRE 360: A total-body conditioning workout inspired by ballet/pilates/yoga/strength training-- with a focus on flexibility, balance, stability, and strength. All fitness levels are welcome. - SUSPENSION BARRE: Your core and stabilizing muscles will be challenged with the use of the suspension trainers; add barre exercises and you have a total body workout. All fitness levels welcome.	Strength, Flexibility
BODY SCULPT: A muscle-toning class using various fitness strength training equipment and bodyweight exercises.	Strength
BOX & Breathe (for SWC Staff and Faculty only- must have a Faculty Membership): a beginner-friendly boxing class just for staff and faculty. In this supportive space, you'll learn simple boxing techniques while blending movement with mindful breathing. No experience needed—just come as you are. It's a great way to release stress, build confidence, and leave feeling stronger, clearer, and more energized.	Cardio, Strength
CHAIR YOGA: A gentle yoga practice accessible for every body, that is easy on the joints and muscles. Postures and breathing exercises are performed with the aid of a chair to build strength, improve flexibility, and restore strength. - CHAIR YOGA for Stress Relief: Chair yoga practice that incorporates self-relaxation techniques to relieve stress using simple props.	Mind-Body
CHAIR FITNESS: A gentle chair workout that uses light weights/resistance bands, that is easy on the joints and muscles. Exercises are performed with the aid of a chair to help increase strength and improve flexibility.	Strength, Flexibility
FOAM ROLLING - formerly SELF MYOFASCIAL RELEASE: Release muscle (myo) and fascia (fascial) and increase flexibility with foam rollers and other fitness tools. All fitness levels welcome.	Flexibility
"FUN"CTIONAL TRAINING : A workout for all levels, that focuses on strengthening and conditioning of the muscles for daily activity.	Strength, Core
CYCLING/EXPRESS CYCLE: A cardio-vascular workout performed on a stationary bike; great for all levels. Might include some strength training.	Core, Strength
GENTLE & RESTORATIVE YOGA: A gentle yoga practiced at a slow pace with long, passive holds in postures to restore the mind and body.	Mind-Body
HIIT (High Intensity Interval Training): A full-body bodyweight workout that conditions your muscles with a combination of cardio and plyometric exercises. All levels welcome.	Cardio, Strength
INTERVAL TRAINING: A total body workout where members perform a combination of 6 or more exercises, with short rest periods between them, using various fitness equipment. Multiple circuits can be performed in one session. All fitness levels are welcome.	Strength, Cardio, Flexibility
MAT PILATES (all levels): A low-impact mind-body workout with controlled movements to enhance your balance, core strength, mobility, and flexibility.	Mind-Body
**Pilates Reformer - A full-body workout that uses the Pilates Reformer Machine to improve core strength, increase muscle tone, and increase flexibility. **Essential Reformer - An excellent introduction to Pilates highlighting the essentials of reformer exercises. Get acquainted with the equipment. Socks that cover the whole foot are required - grippy socks highly recommended.	Mind-Body
**Pilates Reformer - \$15 per class - Active Members only (No exceptions- no guests; no walk-ins at this rate) Non-members, guests, drop-ins \$30 a class Advanced booking/check-in required; booking opens 7 days in advance; check-in 15 min prior to start of class; arriving late will forfeit your spot; Socks that cover the whole foot are required - grippy socks highly recommended. No refunds; no transfers; no rescheduling; no cancellations	
POWER YOGA: A yoga practice performed with a steady flow to enhance physical performance, build strength/stability.	Mind-Body
SCULPT/SCULPTING: A muscle-toning class using various fitness strength training equipment.	Strength
STRENGTH & CONDITIONING: Increase your physical strength with weight-bearing and/or resistance exercises.	Strength
SPORTS CONDITIONING: A high-energy workout to improve your aerobic and anaerobic fitness, flexibility, speed, and agility. All levels welcome.	Cardio, Strength
SUSPENSION BARRE: A total body barre workout incorporating the use of the TRX Suspension Trainers. Your core and stabilizing muscles will be challenged with the use of the suspension trainers. All levels welcome.	Strength, Flexibility
TRX (Total Resistance Exercise): This class is a form of suspension training using the TRX Suspension Trainer. Participants will perform a variety of bodyweight exercises targeting strength, stability, and core engagement. All fitness levels are welcome. - TRX FLEX: Perform yoga poses and flexibility exercises using the TRX Suspension Trainer.	Strength, Flexibility
Warm up for Work (for SWC Staff and Faculty only): A 20 min workout with gentle stretching and muscle activation. Exercises are standing only- no floor exercises. Designed to be sweat-free so you can come in your work clothes and head straight to work after.	Flexibility
WEEKEND WARRIORS: Increase your physical strength with weight-bearing and/or resistance exercises.	Strength, Cardio
YOGA: A mid-body practice promoting mental and physical well-being that incorporates postures (poses), breathing techniques, meditation and/or relaxation. - GENTLE & RESTORATIVE YOGA: A gentle yoga practiced at a slow pace with long, passive holds in postures to restore the mind and body. - POWER YOGA: A yoga practice performed with a steady flow to enhance physical performance, build strength/stability. - YOGA FLOW: A multi-level practice that incorporates simple flow sequences while focusing on alignment, breathwork, and flexibility. - YOGA SCULPT: A full body yoga practice focusing on intensity and strength, that uses bodyweight and can use hand weights and resistance bands.	Mind-Body
YOGA-LATES: A low-impact mind-body workout that is a fusion of yoga and Pilates designed to improve your core strength, posture, mobility, balance, and flexibility.	Mind-Body
ZUMBA: A calorie burning cardio-dance workout that incorporates dance and fitness moves to bold & spirited international rhythms and music. No experience needed.	Cardio

GROUP FITNESS ETIQUETTE:

- JAWS Fitness Center Membership required to take Group Fitness Classes.
- We have two parts to taking our group fitness classes:
 - Book the Class - on the Wellyx app or at the Front Desk Staff.
 - Check into the Class - When you arrive in the facility, scan your membership card and let the Front Desk Staff know you will be taking class.
- All guests must sign a waiver at the Front Desk at every visit. Guests attending a group fitness must also sign in at the class.
- Please be respectful of instructors and other members when taking classes by arriving on time and be ready to workout at class start time.
- Arriving late is disruptive to the instructor and your fellow members. Late arrival also poses a safety issue as you will not be properly warmed up or prepared for the activity you are about to do. If you find yourself arriving more than 5 minutes late, please enjoy a workout on the fitness floor and join in next time.
- Classes are a group activity; we request that you follow the instructor's routine.
- Instructors reserve the right to cancel classes with participation levels of 2 or less.
- Keep conversations to a minimum.
- Please do not enter the classroom before the current class has finished.
- Wear appropriate exercise attire and footwear.
- Water must be in an enclosed, unbreakable container. Other drinks and food are not permitted in the room.
- As a consideration to other members, no cell phone use is permitted in the room. Please put all phones on silent mode.
- We recommend using a towel.
- Only instructors are permitted to use stereo equipment.
- Please refrain from wearing perfume, cologne, and scented lotions and remember personal hygiene.
- For health and hygiene reasons, please wipe down equipment after use. We recommend providing your own mat/yoga mat.
- Equipment is to be used for intended purposes only.
- Moving equipment from room to room is **not** allowed.
- Please return all equipment used in class to its proper storage location.
